

## **2025 Shenandoah One Community Clean-Up**

**April 26th, 2025**

### **Please join us for the Shenandoah One Community Clean-up**

The Borough of Shenandoah and its residents along with the Latinos Volunteer Movement are planning a Town-Wide Clean up community event and after party on Saturday, April 26. Please sign-up to join this effort so that we can work together to clean up and create a cleaner, safer, stronger sense of community town wide! Also, if you or someone in your party would like to be a Head Contact for the clean up crew in your neighborhood or ward please provide the name and contact info for that person. We are so excited for this event and appreciate all the help we can get.

#### **Schedule**

- 10:30 am - 3:30 pm

Clean - Up groups will meet in a central location in each ward. Safety pamphlets, instructions, and supplies will be handed out and groups will be disbursed.

- 3:00 pm - 3:30 pm

Groups will begin making their way back to the central meeting point in each ward. We anticipate having a dumpster or trash receptacle in each ward for the collection of refuse. Refuse should be separated as much as possible into recyclables, trash, and clean-fill.

### **Our Goals**

1. To provide residents with the means and tools to make their neighborhoods a cleaner, safer, and more neighborly place to reside.
2. To enable residents to work together to take pride in their neighborhoods.
3. To encourage residents to develop positive relationships together. Regardless of race, color, creed, or country of origin we are all residents of Shenandoah and have a responsibility to work together for our community and our future.
4. To come together as a community to celebrate after working together. There will be a celebration at Girard Park after the clean up starting at 4:30.
